

OPEN CALL

FOR REPRESENTATIVES OF ARTISTIC AND CULTURAL ENVIRONMENTS FROM PARTNER CITIES OF WROCŁAW

WHO ARE WE?

The Artist In Residence Programme AIR Wro is a legacy programme of the European Capital of Culture Wrocław 2016. Its main purpose is to support and promote activities of individuals representing various fields of art and culture or active in border areas between them, interested in cooperating with representatives of local communities and environments as well as eager to build international cultural relations.

In 2017 AIR Wro focuses on contemporary urban culture and its different aspects. From the identity of cities' inhabitants, curatorial and artistic research on historical contexts, diagnosis and analysis of the condition of civic and common awareness of the inhabitants, their role in creating and participating in various cultural and social activities, up to the issues of ecology and 'shared space', understood both as a public space as well as a platform for building and strengthening relations.

WHOM DO WE INVITE?

City and its culture can be a starting point for artistic, cultural and social activities rooted in dialogue and mediation. We invite artists, curators, researchers, journalists, activists and animators interested in urban scene to create a new project in Wrocław. Key words for this open call are: urban identity and community, ecology and green philosophy, cultural and civic education, self-organisation and collectivism, public space and innovative solutions for cities, activism, guerilla initiatives, design and new technologies and, above all, artistic and cultural practices in contemporary urban environment.

We invite inhabitants of the following cities: Breda (the Netherlands), Lille and Poitiers (Department of La Vienne/France), Dresden and Wiesbaden (Germany), Grodno (Belarus), Hradec Kralove (Czech Republic), Kaunas and Vilnius (Lithuania), Lviv (Ukraine) and Ramat Gan (Israel).

WHAT DO WE PROVIDE?

- residency in Wrocław from 6 to 8 weeks
- accommodation in the city centre
- allowance in the amount of €20 per day
- coverage of travel expenses up to €300
- coverage of materials up to €300 gross
- substantive, networking, production and promotional support
